

Hello MTN Members! Happy Spring to you all.

2008 was a very busy year for us. Christi got promoted to Regional Director with PAX (Program of Academic Exchange) and that has kept her extremely busy all year. Consequently, we were only able to attend two rallies last year. This year should be different, but probably no less busy!

Our son returned from a year in Iraq safe and sound. We are very thankful and have been celebrating.

Our oldest daughter graduated with her Masters in English and is currently teaching school.

Our youngest daughter gave birth to our first grandson...a very healthy and adorable child that looks like Grandpa! We can't wait to get him introduced to motorcycling.

Health wise we both are in good shape, and are looking forward to riding much more this year.

We know that last year we asked our membership to help distribute our dealer displays and many of you responded quickly that you would be happy to help. However, we had somewhat jumped the gun as they were not actually finished. They are now!

We have 22 dealer displays ready to go. If you would be willing to set up 1 or 2 at your local dealers, let us know and we will get them to you - we promise!

Who do you know in these states?
Hawaii; South Dakota; Delaware; Maine; Kansas; Wyoming; and Idaho.
These are states where MTN has no members.

We believe it is a good idea for all MTN members to have a picture on their profile page. In fact, as of Jan. 1, 2009, we are requiring it of all new members. It is just human nature to want to see the members' accommodations, whether inside or out, but it is also very helpful in planning and on arrival. Right now there are 68 current members without a picture. If you haven't already done so, we strongly encourage you to upload a picture to your profile page. You can upload it directly, email us one or even snail-mail a picture. to us. If you have any questions we will be happy to help.

We have 6,000 'goodie bags' for use at rallies. Each bag has a literature card, two foam earplugs, and a life-saver in it. If you would like some to distribute at a rally you are attending or sponsoring, let us know.

Let's talk about forums for a minute. When the MTN forum was first suggested, it was advised that it not be made public. Therefore it was placed behind the login screen on the MTN web site. Except for a flurry of activity when the forum first went live, the activity has since, dwindled to almost nothing. It has now been decided to move the forum from the MTN web site to Delphi Forums. Delphi has several motorcycle related forums and so we think it will be a good place for the MTN forum. Keep your eyes open for an announcement concerning this forum, and it's relocation.

Rallies are coming up and we hope to see you at one of them. We will be at two GWRRA rallies and two BMW rallies. So if you see a booth that looks like this one... stop in and say "HI".
